Ansun Multitech (India) was incorporated on 22nd April 1985 as a Private Limited Company for the manufacture of Zipper Sliders. Ansun is promoted by Sunil Monga, a Technopreneur. Under his leadership the company has attained a leading position in the Indian Zipper and Fashion Accessories Industry. Complete professional approach blended with hard work and entrepreneurship has enabled the company to grow manifold. The Company was converted into a Public Limited Company in 1995 but the shareholding still remains closely held with the family and close associates.

GENESIS

Ansun started production on 17th January 1986 as a small start-up with just 8 employees and one small production line. Today there are more than 30 Production Lines and over 350 Employees. Ansun started with manufacturing of Zip Fastener Sliders, which is a Zinc Die-casted product made in large volumes. At present Ansun manufactures nearly 3.50 Million Zipper Sliders every day, which involve nearly 5 to 6 Million components in around 3500 varieties. After setting up the manufacturing of Zipper Sliders, Ansun diversified into the manufacturing of Metal Alloy Buttons, Metal Zippers, Polyester Zippers, Metal Luggage Fittings and very recently into Brass Buttons, Rivets, Snaps etc.

KEEPING UP THE PACE

Ansun has for long maintained its position as the leading and most innovative manufacturers and exporters of Zipper Sliders, Zippers and Accessories from India with a huge local market share. At the same time it has left no stone unturned in keeping up with global trends and technology. Ansun is one of the most recognized fashion accessories developer in India.

Ansun has adopted leading IT systems in all its day to day activities right from designing, manufacturing, administration to marketing etc. Ansun is the perfect answer to all queries regarding custom made or standard fashion accessories and other similar customized products for or from India.
